From the award-winning author of the Rock Star Romance books comes a sizzling new series about the O'Donnell siblings. The pull of wild love is irresistible. She's had enough drama in her life. Nicole O'Donnell is more than ready for the fresh start college offers. After a lifetime of trying to help her alcoholic mom and ex-boyfriend get sober, she's finally learned her lesson: people don't change. They certainly don't change for her. He can never leave his drama behind. Thanks to his mom's substance abuse issues, Dylan McCaffrey's persona non grata in his hometown of Gun Powder, Colorado. So when he scores a free ride to the top university in the country, he's determined to make something of this fresh start. But his mom has always relied on him, and she's not handling his absence well at all. If he can just keep up his grades, pay her bills, and come home every break, he might be able to pull off this opportunity. True love won't be denied. No matter how determined they are to steer clear of each other, their combustible connection explodes, especially when Nicole offers Dylan the one thing he can't bear-hope. Once he has a taste of it-and the irresistible force of her-there's no going back. But when he falls too deeply, when he loses sight of his priorities, he might just lose it all.

Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors easily have it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain: Book One is part of a trilogy.

A Three Little Pigs Adventure

Realise, Accept & Pursue What You Desire

Sometimes you have to run away to find yourself. Lots of young women dream of being a princess. Nina Jones isn't one of them. After escaping from her palace/prison by burying herself under sacks of fertilizer, she ends up in a beach cottage on New Zealand's South Island. She's meant to be looking after a cantankerous widower. Too bad she doesn't know how to boil an egg. Iain McCormick may be an All Black, a member of New Zealand's elite rugby team, and a bona fide celebrity. During the offseason, though, he's meant to be a regular Kiwi bloke. A good son, a good neighbor, and a good citizen. But civility comes harder when you've been dumped at the altar. He doesn't need anybody he has to look out for. He definitely doesn't need to fall in love. Yeah, right.

There ' s no place like home... For teacher Jenna McKnight, nothing spells " heartbreak " like finding her husband with somebody else--in her bed. It ' s clearly time to reinvent herself. A new body, a new city, and a new job as a nanny for a professional rugby star later, she ' s done just that. The beautiful Auckland villa isn ' t really her home, though. Finn Douglas and his kids aren ' t really her family, however much she wishes they were. And playing house can be a dangerous game. New Zealand All Blacks rugby star Finn

Douglas is just looking for a temporary nanny and housekeeper. Not a girlfriend, and definitely not a wife. He can ' t resist Jenna ' s cooking, it ' s true. Who knew he ' d have so much trouble resisting her? He wants to do what ' s right for his kids. But waiting is so hard... Go Down Under in more ways than one in this steamy New Zealand sports romance. Fans of Jill Shalvis, Catherine Bybee, and Kristin Higgins will enjoy this book. Everyone needs to be rescued sometimes. Everyone but Hannah Montgomery, that is. She just needs a vacation. Three weeks Down Under, a vacation in New Zealand to sort out her life, figure out what she wants, seems just right. Oh, and to relax. She should definitely put that on the agenda. She certainly isn't looking for a sexy fling with a professional rugby player, no matter how attractive he is. Hannah doesn't do casual. But maybe just this once ... As much as he's shared with Hannah, Drew Callahan has kept one very big secret. He's the captain of New Zealand's All Blacks rugby team, and the most famous rugby player on earth. And learning the truth, now that she's back home again, has made Hannah warier than ever. Drew knows that she's right for him. But how can he convince her to let down her guard enough to explore what they could have together? Go Down Under in this steamy New Zealand sports romance. Fans of Jill Shalvis, Catherine Bybee, and Kristin Higgins will enjoy this book.

Just For Fun

What do you desire? And I don't mean where would you like to vacation this year or what would you like to have for dinner. What do you truly desire, what is essential for you to thrive? For so many, the definition of success and fulfilment is the one dictated by society, a one-size-fits-all dream. We perform for phantom spectators, exerting our precious energy to dance to the beat of someone else's drum without checking our own internal temperature. This very moment, you might be fighting for something you actually have little appetite for. This book is written for anyone who feels stuck as if your life is not yours. It's a love letter written by the heart to the mind. It's an invitation to realise, accept and pursue your desires so you may escape to a life that's truly yours, free of social expectation or conformity. It is a prime read for anyone who longs to define their own life, doing away with traditional roles and what we are "supposed to" be striving for. It seeks to demonstrate that there very much is a box of collective desires and that living within it is not where we are best situated. Escape to Self is an ode to personal freedom that provides words and chapters for you to lean on as you embrace your own truth and pinpoint what it takes for you to feel proud of and take pleasure in your life. Pleasure is the food of the soul, and nothing is more pleasurable than being able to say you lived your life the way you needed to.

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell Lane drops on her weeks before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.

Retire early, sell everything, buy a boat and sail around the world. What could go wrong? Told with great suspense and sparkling with wry humor, Escape from the Ordinary captures the terrors and pleasures that come with forging ahead against great odds on the adventure of a lifetime.

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

Rhys Fletcher is not in love with his sister-in-law. That would be a very, very bad idea, and he doesn't entertain bad ideas. He also doesn't lie to himself. Both of those things can't be true, so he'll do what he's done since the long-ago night when his brother, Dylan, turned up in an Auckland bar after a brutal rugby match between their two teams, and introduced his new girlfriend--a dark-eyed, impossibly short, much-too-young girl named Zora. He'll lie. Now, his brother's gone, and Rhys is back in New Zealand and settling into his new job as the head coach of the Auckland Blues. Surely, being there for Dylan's widow and their son is the right thing to do. He can control himself. He's had forty years of practice. Until he gets a call from his lawyer, and flies to the States to find that handsome, charming, endlessly irresponsible Dylan has left yet another loose end for his big brother to sort out. This one is six years old. And her birth certificate says she belongs to Rhys.

One summer can change everything. Jacinda Prescott spent one life-changing summer in Sweet Breeze Bay, New Zealand, and left disaster in her wake. Since then, she's thrown herself into her music career, and her life in LA. But when the price of fame threatens to become more than she's willing to pay, the distant bay calls her back. Liam Ward walked away from everything he knew after the death of his talented brother, the guy Jacinda loved and lost. When he finally returns to the bay, looking for closure, she's the last person he expects to find--and the last woman he should fall for. Stuck as neighbors for the summer, their off-limits attraction is hotter than the South Pacific sun. But the secret that ties them together is the one thing that could destroy her career, and break their hearts all over again...if they let it.

Some fires warm you up. And some burn you down. Kevin McNicholl may be a brutal force on the rugby field, but off the field, the star New Zealand All Black is a famously nice guy. His new tenant, though, arouses more than his protective side. She sets him on fire. Pity he's evicting her. Every woman deserves her dreams. Chloe Donaldson can't afford dreams, though, so she's given them up. Marriage, her ballet career, and now, her beautiful tower apartment with its view of the sea. Her new landlord is kicking her out, along with her three-year-old son, Zavy. She should hate him. But when a man looks at you like that, it's so easy to lose your focus.

Rest Stop

Escape

Summer's End

Escape to Self

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of

the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. Tiffany Noboru has just awakened from her death, only to discover she has been drafted into the Gargoyle Ghost Hunter Corps. Soon she is fighting jealous rivalries within her own ranks, struggling to unravel the mystery of her recent death, and trying to avoid being killed a second time by a maniacal ghost named Bones who is seeking the destruction of the gargoyle world. In this full-length novel, appropriate for teens and young adults, a new twist on the role of gargoyles is imaginatively brought to life in spellbinding fashion. Woven into the pages are twenty original works of art by Miimork, which breathe life into this ghostly tale.

The three little pigs have a problem. A big bad wolf has moved into their neighborhood and won't stop his vicious attacks on their little brick cottage! Their food supply is running out, and they can't go out and get jobs to buy more! Hilarity ensues when the pigs get a clever idea to buy some magic bean seeds to grow an unlimited supply of food, only to find out the magic beanstalk that grows from the seeds leads straight to a castle in a sky! Will they be able to escape the wolf in time, or will he make them his lunch?

Choose a path and see if you can survive the RMS Titanic's fateful voyage.

Fierce

An American businesswoman decides to have a New Zealand getaway, and once there, she has a fling with a rugby player.

Just for a moment imagine yourself the spouse or even the parent of someone in prison. What images come to your mind? In her story, the author challenges us to think outside of our own mindsets. Through the writer's eyes you will see glimpses of what it is really like from the outside looking in. It is her hope that as you read you will not only recognize things that have "imprisoned" you but that you will be set free from those things. Isaiah 61:1 The Spirit of the Lord is upon me because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound...

Even a hard man needs a soft side. Marko Sendoa isn't a beach man. He's not an Auckland man. He's a hard man. Born Basque tough, raised in the heart of New Zealand's Southern Alps, and bred on hard work, discipline, and getting the job done. It's not easy for a rugby flanker who's played 13 bruising seasons to make it to age 32 at the top of his game, but he's done it. Next year is the Rugby World Cup, and he'll do whatever it takes to be on the field in the black jersey when the anthems are sung. He doesn't need a kitten. He doesn't need a pregnant cousin. He definitely doesn't need a too-short, distractingly curvy, totally unimpressed Maori barista and part-time pet portraitist who fills his house and his life with too much color, too much chaos, and too many secrets. He's getting them anyway.

"Write right - right now - the book by Walter M. Perkins is entertaining and informative for anyone who has ever wanted to write AND publish a book but did not know the steps. The book is broken into easy-to-understand components. Perkins emphasizes the business aspects of writing a book and sheds light on issues such as doing business with graphic designers, agents, publishers, and printers"-- Taken from Amazon.com November 7, 2014.

Kyle Blake likes plans. So far, they & rsquo;re pretty simple: Finish her senior year of high school, head off to a good college, find a cute boyfriend, graduate, get a good job, get married, the whole heterosexual shebang. Nothing is going to stand in the way of that plan. Not even Stella Lewis. Stella Lewis also has a plan: Finish her senior year as cheer captain, go to college, finally let herself flirt with (and maybe even date) a girl for the first time and go from there. Fate has other plans for Kyle and Stella when they're paired up in their AP English class and something between them ignites. It's confusing and overwhelming and neither of them know what to do about it. One thing they do know is that their connection can't be ignored. The timing just isn't right. But is there ever a good time for falling in love?

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as WeirDo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most

skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.pl {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

A Steamy Feel-Good New Zealand Nanny and Alpha Male Rugby Romance

What happens in Fiji stays in Fiji ... except when it doesn't. New Zealand All Blacks rugby star Nic Wilkinson is a responsible, organized, disciplined rugby player at the top of his game. Emma Martens is a sometimes-scattered, often-emotional, and always-broke would-be designer with a big chip on her shoulder where Nic's concerned. They have no history together, except one perfect week. Nothing in common anymore, except the most important thing of all. Getting together again would be messy. Complicated. Scary. And, just maybe, worth every risk. Go Down Under in more ways than one in this steamy New Zealand sports romance. Fans of Jill Shalvis, Catherine Bybee, and Kristin Higgins will enjoy this book.

never asked Hemi Te Mana to rescue me. It was true that I had a lousy job. Not to mention a lousy apartment and too much responsibility, although it was a responsibility I wouldn't have given up for the world. That still didn't mean I needed rescuing, if that was what you'd call the situation I ended up in. And anyway, I knew that a multimillionaire Maori CEO with too many muscles, a tribal tattoo, and a take-no-prisoners attitude was way, way out of my league. So, no, I didn't ask him to, but he rescued me anyway. Because Hemi was fierce. But you know what I found out? So was I.

Jimmy Lee Snow, A.K.A. Bobby Williams, is not just your average bank robber and jewelry thief; he is also a highly skilled and somewhat lucky escape artist. As he narrowly frees himself from a maximum-security institution, for a second time, he meets some interesting characters along the way that advertently or inadvertently aid in his freedom. Once on the run, he certainly breaks the law to acquire cash, a car and a new identity. Because he's oddly likable and not really violent, you seem to root for this lawbreaker, despite the fact you know he deserves to be caught and put back into the system. As you read further, you know Jimmy Lee isn't your typical criminal. One of the many characters he encounters along the way is a hooker. Yet the only thing he wants from her is a new identity. This would normally be quite odd coming from a guy who just left prison after ten years! He then picks up two runaways and convinces them to go back home, where he even funds the bus ride. This begins to show Jimmy Lee's odd sense of integrity. (By the way, we soon find out why he was "saving himself.") Part two begins with his true passion; Veronica Lin Brooks, a teacher and soon-to-be partner on the run. The back story is interesting and seemingly unbelievable at times, but the reader can certainly see her attraction to this likable escapee. As the adventure unfolds you find yourself wanting to lecture her and root for them, all at the same time. As the FBI and detectives search for them, you can feel all their desperation and exhaustion. It finally concludes with an unexpected ending, but stranger things have happened.

Serena is between a rock and a hard place. A military experiment gone wrong has sent her world crashing down—along with everybody else's—as a mysterious disease turns living, breathing, red-blooded people into mindless weapons of destruction. Supplies have run so low that her husband leaves to find food for them and never returns. Serena finds herself alone and preparing for inevitable death from starvation when her husband's best friend, Steven, shows up to her rescue. After seeing his best friend turn, Steven knows what he must do: protect and save his old buddy's wife—the only person he has left now that his whole family and everyone else he cared about is gone. Only Serena is not just his undead best friend's girl—Steven has had a secret crush on Serena for almost as long as he has known her, doing everything in his power to hide it from his buddy while he was alive. And now, at the horrible price of losing his best friend, he has a chance to be with her. But would Serena ever give him a chance, given their circumstances?

No shirt, no shoes, no ... problems? Hemi Ranapia isn't looking for love. Fun, yes. Love, not so much. But a summer fishing holiday to laid-back Russell could turn out to be more adventure than this good-time boy ever bargained for. Reka Harata hasn't forgotten the disastrously hot rugby star she met a year ago, no matter how much she wishes she could. Too bad Hemi keeps refusing to be left in her past. Sometimes, especially in New Zealand's Maori Northland, it really does take a village. And sometimes it just takes a little faith.

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisra would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisra's dearest friends. Overtaken by Marrisra's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisra's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisra is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisra. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

When bad boy movie star Gage Maddox thinks his starlet girlfriend has cheated on him this alpha male wants pretty much everyone's head on a platter. He heads home to his family's estate to regroup and put his plans in action. But what happens when information comes to light that may prove her innocence? What would the hotshot leading man do to get even with the people who tried to destroy the one thing that means everything to him?

When Scotland's sleepest hamlet becomes the centre of hot gossip, Layla Devlin finds herself caught in a mystery.
